Water Habitats

Shelter
- kelp
- mud
- nests
- sticks
- mole hills
- moss
- sand
- burrows
- rocks

healthy
- Book Connection
- conservationists
- healthy ecosystem (yellowstone wolves changed the shapes of the rivers)
- full of nutrients
- fresh water source
- human influence

unhealthy
- landfill
- development
- human influence
- industry
- filling wetlands
- recreational use

human encroachment

Environment
- sun
- temperature
- weather

fresh water
- rivers
- stream/brooks
- lakes

salt water
- salt marshes
- ocean

plants
- fragmities
- spartinas
- elodea
- cord grass
- algae
- bean plant

insects
- mosquitos
- bees
- centipedes
- fly
- cricket

Animals

crustaceans
- crabs
- lobster

birds
- eagle
- cormorants
- osprey
- crows
- seagulls
- pigeons
- swallow

mammals
- racoon
- skunk
- beavers
- squirrels

organisms
- snails
- worms
- plankton
- fish

reptiles
- snake
- snakes

amphibians
- frogs
- salamanders
- frog
